

OUR PROFILE

OPE NSP ACE

**Transforming mindsets
through honest conversations.**

VISION

**1 million Africans empowered
to solve problems and lead change.**

INTRO

OPENSOURCE is a non-profit platform that helps African professionals to develop world-changing mindsets through impactful conversations.

We create spaces to nurture Africans globally with the perspectives and tools to lead change and solve social problems.

FOCUS

OPENSOURCE serves African entrepreneurs & professionals on the continent and in the diaspora.

We believe in enriching Africa's changemakers through the varying stages of their lives. As they work and grow in different spaces, we amplify their potential through mindset-shaping.

PLATFORM

Honest Conversations

Our global platform hosts open and honest conversations, **(virtual and in-person events)** to drive peer-learning opportunities, healthy debate and new perspectives.

Topics often centre around mindfulness, career, business, innovation, social issues and global change.
